Imagine a dress made of thin fabric, a deeper neckline, or even a white outfit. You can wear it. Imagine a protruding belly, unwanted love handles, localized fat, or intrusive cellulite. You can disguise it. The right lingerie has the power to transform the problem into a solution and discomfort into a delightful feeling of well-being, or even better: of feeling good about yourself. Pliè, a 100% Brazilian company, is your ally to accompany all fashion moments, without hindering any feminine movement." We feel good about our own bodies, we make peace with our souls.
